A CLASSIC SPORTFISHERMAN AT A GREAT PRICE IN DESTIN

My husband's physical condition will no longer allow him to enjoy, operate, or maintain my Ocean 48 Super Sport. Here is a chance to own this classic sportfisherman at a great price in Destin, well below the current market price.

LOLA K • MAINTAINED AND EXTENSIVELY UPGRADED

\$249,900

POWER AND MECHANICAL INVESTMENT

Twin Caterpillar 3196 diesel engines rated at 660 horsepower each, with major overhauls completed and approximately 332 hours since overhaul. Westerbeke 11 kW generator major overhaul; new SB Marine engine mounts; new silicone exhaust elbows; new Hynautic engine controls; dual Racor filtration; engine and generator oil-change system; fuel crossover; sound-insulated engine room; annual CAT oil analysis and performance testing.

RECENT IMPROVEMENTS

Refreshed 2025 interior and carpeting; three new HVAC systems; complete bonding-system replacement; updated battery charging; 2024 Coastal Canvas flybridge enclosure; annual propeller scanning and tuning; documented maintenance, sea trials and scheduled inspections.

FISHING AND DECK EQUIPMENT

Tournament tower; Release Marine tuna chair; 23 rod holders; Rupp triple-spreader outriggers and center rigger; cockpit freezer; livewell; tuna door; bait-preparation center; in-deck fish boxes; fish-box macerator; freshwater and seawater washdowns; Lewmar windlass; Palm Beach-style cockpit enclosure.

ACCOMMODATIONS AND ELECTRONICS

Three staterooms and two heads with separate showers; teak salon, L-shaped lounge and dinette; Corian galley with refrigerator/freezer, convection microwave and induction cooktop. Three Simrad NSS12 displays, open-array radar, AP22 autopilot, CHIRP sonar, dual VHF/AIS, SiriusXM weather, Iridium, Inmarsat, Wi-Fi and cellular communications.

OFFSHORE SAFETY

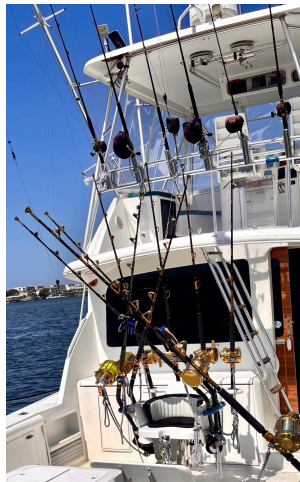

Switlik offshore life raft; dual EPIRBs; Fireboy automatic suppression; thermal imaging; searchlights; remote vessel monitoring; SimpliSafe security and emergency spares.

READY TO FISH

Ready to fish with two Penn International 120's, 80W's, six Penn spinning outfits, and two Penn 209's.

READY TO CRUISE

Ready to cruise with three Coastal Canvas cockpit shades and canopies.

LOWER OFFSHORE FUEL USE

Representative Lola K trolling day

Three hours at 60 gallons per hour plus seven hours trolling at 5 gallons per hour equals 215 gallons of diesel.

Fountain 42 Lightning benchmark

Published testing reports that a twin-outboard Fountain 42 Lightning used approximately its 218-gallon fuel supply to travel about 223 miles at 70 mph - roughly 3.2 hours - before adding any trolling time.
